Where performance returns are quoted "After fees and tax", they are calculated using exit prices which take into account management costs and taxes paid within the trust up to a maximum of 15%. Where performance returns are quoted "Before fees and tax", they exclude the effects of management costs and any taxes. In the case of the BT Wholesale Managed Cash Fund and the BT Institutional Stable Cash Plus Fund all returns are calculated using the average of the daily distribution yields and assume monthly reinvestment of distributions.
