You are not obliged to provide either your TFN or ABN, but if you do not provide either, or claim an exemption, we are required to deduct tax from your distribution at the highest marginal tax rate plus Medicare levy to meet Australian Taxation Law requirements. For more information about the use of TFNs for investments, contact the enquiries section of your local branch of the Australian Taxation Office.

Once provided, your TFN will be applied automatically to any future investments in the fund(s) where formal application procedures are not required (eg distribution reinvestments), unless you indicate, at any time, that you do not wish to quote a TFN for a particular investment. Exempt investors should attach a copy of the certificate of exemption.

- 2 For super funds or trusts list only the applicable ABN or TFN for the super fund or trust.
- 3 Non Residents specify your residential address, including country of residence for Tax purposes.

SECTION 2B: FOREIGN TAX RESIDENCY INFORMATION (EXISTING INVESTORS ONLY)

We are required to identify tax residents of a country or countries other than Australia in order to meet account information reporting requirements under domestic and international laws. Please answer the following questions if you are making an application for a new fund and have not previously provided us with your Foreign Tax Residency Information.

If at any time after account opening, information in our possession suggests that the investor or any Controlling Person of the investor (where the investor is an entity) may be a tax resident of a country or countries other than Australia, you may be contacted to provide further information. Failure to respond may lead to certain reporting requirements applying to the account.

DECIXIPEN0001

A Controlling Person refers to the individual(s) that directly or indirectly own a legal interest in the entity of 25% or more and/or exercises actual effective control over the entity, whether from an economic or other perspective such as through voting rights. Where no individuals are identified as exercising control of the entity through ownership interests, the Controlling Person(s) of the entity is deemed to be the individual(s) who hold the position of senior managing official. In the case of a trust, a Controlling Person includes the settlor(s), trustee(s), appointer(s), protector(s) or classes of beneficiaries and in the case of an entity other than a trust, the term includes persons of equivalent or similar positions.

- ensure that your nominated bank account details are correct and if uncertain, to check with your financial institution before completing the Direct Debit Request
- ensure that sufficient cleared funds are available in your nominated account by the due date to permit payments under the Direct Debit Request. Check with us if you are uncertain when debits will be processed to your account
- ensure that the authorisation given to draw on your nominated bank account is identical to the account signing instruction held by your financial institution where the nominated account is based
- advise us if your nominated account is transferred or closed or your nominated account details change
- arrange with us a suitable alternate payment method if the drawing arrangements are cancelled either by you or your financial institution.

YOUR RIGHTS

- You may cancel, alter, defer or suspend your Direct Debit Request, or stop or suspend an individual debit from taking place, by calling us. In some cases we will also require your written confirmation.
- You must notify us at least seven business days before the next scheduled debit to ensure changes are effective that month. Notification received after that time may result in your changes taking effect in the following month. You may also be able to stop an individual debit by contacting your own financial institution. You may be liable for financial institution charges if you do this; your financial institution should have information on these.
- If you have any questions or concerns about your Direct Debit Request, such as where you consider that a drawing has been initiated incorrectly, you should take the matter up directly with us by calling us. You can also contact us by email or, alternatively, if your investment in the Pental fund has been made through a PDS, in writing to the Complaints Officer at the address set out on the front cover of the PDS.

OUR COMMITMENT TO YOU

- We will only change the amount of the payment under the Direct Debit Request on receipt of a valid instruction.
- We will only vary the terms of this agreement after giving you 30 days notice in writing.
- We reserve the right to cancel your drawing arrangements if two or more consecutive drawings are returned unpaid by your nominated financial institution. Standard government fees, duties and bank charges (including dishonour fees and conversion costs) may apply to investments. These are paid by you.
- If your direct debit is returned unpaid, we may also charge you a dishonour fee of \$20 (in addition to our bank's dishonour fee). You should advise us of an alternative payment method.

- We will keep all your records and information pertaining to your nominated bank account private and confidential, except where you have made a claim relating to a debit that you believe has been made incorrectly, or wrongfully, in which case, Westpac Banking Corporation ABN 33 007 457 141 (as our sponsor in the Bulk Electronic Clearing System) may require us to provide this information to them in connection with your claim to the extent necessary to resolve your claim.
