

Pendal myTax Guide

●
2019

This guide will help you include distributions from your Pendal investments in your 2018-2019 electronic tax return (myTax). However, it assumes that your only source of trust income, capital gains and foreign income is from one or more Pendal funds.

To use myTax you will be required to link your myGov account with the ATO to lodge your income tax return electronically. If you do not have a myGov account, you may still be able to lodge a paper tax return. Further information on lodging your tax return and myTax can be found at the ATO [website www.ato.gov.au](http://www.ato.gov.au).

Although we are able to give you information about your investment, please note that we are unable to provide tax advice. This guide provides general information only and should not be regarded as tax advice. If you require further information in order to complete your myTax return or information about your personal circumstances, we recommend you consult your accountant or tax adviser.

The information provided in this guide should be read in conjunction with the ATO 'Individual tax return instructions supplement 2019' and any other relevant guides published by the ATO. The instructions in this guide are only applicable to Australian resident individual investors and are of a general nature and does not address all of the tax issues which may be relevant to an investor.

If you are not the sole holder of your Pendal investment, show only your share of the income and any deductions.

If you withdrew, switched or transferred any part of your Pendal investment during the year, components from the distributions in relation to capital gains may not be included in the summary section of your Pendal Tax Statement. If this is the case, a Pendal Capital Gains Tax Statement will be sent to you containing further information to enable you to complete your myTax return.

Company name changes

As you would be aware, BT Investment Management Limited changed its company name to Pendal Group Limited. To reflect our new brand, the name of our responsible entity name has also changed from BT Investment Management (Fund Services) Limited to Pendal Fund Services Limited.

Whilst we have made these changes across the majority of our documents and systems, it will take some time to reflect the new names in all our systems. You will therefore still see the BT brand and name appearing in some places, including sections of your Tax and CGT Statement.

We are working on making the remaining changes and appreciate your understanding during this transition period.

Please note that the names of our Pooled Superannuation Trust (PST) products and the name(s) of their Approved Trustee(s) have not changed as part of the Pendal Group Limited company name change.

Step 1

Enter your 'Contact details' and 'Financial institution details', and under the 'Personalise return' section, ensure that the 'Managed fund distributions' box is ticked (if not already pre-filled).

Managed fund distributions (including where distribution has capital gains and foreign income)

Step 2

Select 'Add/Edit' next to the heading of 'Managed fund distributions' in the 'Prepare return' section.

Step 3

If the ATO has pre-filled your income tax return with distributions received from your Pental investments, check that the information agrees with your Pental Tax Statement. If the information agrees, do not enter this information again.

If the ATO pre-filled information does not agree with your Pental Tax Statement please contact your financial adviser or our Client Services team on 1800 813 886.

If the ATO has not pre-filled your income tax return, manually enter the Pental fund distribution details from your Pental Tax Statement.

If you have received distributions from more than one Pental fund, there is no need to complete separate details for each fund, as the information on your Pental Tax Statement consolidates the information in relation to all your Pental investments for your unique investor number. Instead, you can input the Fund name as 'Pental Consolidated Tax Statement' and input the consolidated information from your Pental Tax Statement.

The information contained in the Summary section of your Pental Tax Statement (see sample below) will enable you to check (if pre-filled) or complete the information required under each heading in this section:

You will be required to input the relevant information in this section for the year. Please use the Pental CGT Statement Guide which will assist you in completing this section.

Foreign Income

Complete items 20E and 20M as applicable using the information in the summary section of your Pental Tax Statement.

Foreign Income Tax Offset

This component represents the amount of foreign income tax paid by the fund. If the amount of foreign income tax that you have paid from all sources is less than \$1,000 you should be entitled to claim the amount of foreign tax paid as the offset.

If the amount of the foreign tax that you have paid from all sources exceeds \$1,000 you have two options in the amount of foreign income tax that you can claim as Foreign Income Tax Offset (FITO):

- limit the claim to \$1,000 (you will effectively lose the excess); or
- calculate your FITO cap and this is the amount you can claim.

You should carefully read the Individual tax return instructions 2019 for Question 20 when working out your FITO claim or seek professional tax advice. Further information can also be found in the ATO publication 'Guide to foreign income tax offset rules 2019' available on the ATO website www.ato.gov.au.

Once you have worked out your FITO this amount should be recorded at item 200.

Management fee rebates

If applicable, enter the amount of management fee rebate noted at item 24V on your Pental Tax Statement into the '24V Total other income' field.

Any management fee rebates relating to your investment paid to you as a cash payment during the financial year, have not been included in your Pental Tax Statement. You will need to add this amount to the amount (if any) shown on your Pental Tax Statement.

The management fee rebate (if any) shown on your Pental Tax Statement is the total rebates paid (via reinvestment) to you during the period 1 July 2018 to 30 June 2019 (i.e. on a receipts basis). If you are required to report this using a different basis, please adjust this amount accordingly.
