- 1 This is an estimate of expense recoveries for the financial year ending 30 June 2022. Where an expense recovery is 'Nil', we currently pay recoverable expenses (if any) out of the management fee and do not separately recover expenses from the Fund. If we decide to deduct these expenses from the Fund, in addition to the management fee, in the future, we will give you 30 days' written notice.
- 2 This is an estimate of indirect costs for the financial year ending 30 June 2022. These costs are reflected in the unit price of the Fund and are not charged to you as a fee nor retained by us. Where indirect costs are 'Nil', the Fund did not incur any indirect costs for the financial year ending 30 June 2022, although the Fund may incur these costs in the future.
- 3 This is an estimate of transaction costs for the financial year ending 30 June 2022, shown net of any amounts recovered by the Fund from the buy-sell spread incurred by transacting investors.
- 4 This is the actual performance fee charged by the Fund for the financial year ending 30 June 2022. A performance fee is payable only if the Fund's investment return exceeds its performance return hurdle. Actual performance is likely to vary from year to year and therefore the performance fee will differ.
